FEE WAIVER INFO

Means Tested Benefit

A naturalization applicant can demonstrate that they are unable to pay the required fee and are eligible to receive a full fee waiver if, at the time of filing, they are receiving a means-tested benefit. A means-tested benefit is a federal, state, locally or tribally funded benefit where the agency granting it considers income and resources in determining eligibility. The USCIS Policy Manual provides a non-exhaustive list of examples of such programs.
